Mr. Chiranjib Bhattacharyya

Professor
Department of Computer Science

Chiranjib Bhattacharyya is a Professor in the Department of Computer Science and Automation at the Indian Institute of Science (IISc). His research interests lie in the theoretical foundations of Machine Learning and Optimization, with a particular emphasis on their applications to problems of industrial relevance.

He is a Fellow of the Indian National Academy of Engineering, the Indian Academy of Sciences, and the Asia-Pacific Artificial Intelligence Association.

Professor Bhattacharyya joined the Department of Computer Science and Automation at IISc in 2002 as an Assistant Professor. Prior to this appointment, he was a Postdoctoral Fellow at the University of California, Berkeley.

He received the B.E. and M.E. degrees in Electrical Engineering from Jadavpur University and the Indian Institute of Science, respectively, and subsequently obtained the Ph.D. degree from the Department of Computer Science and Automation, Indian Institute of Science.
