## Professional Summary

A seasoned Pharma professional with over 15 years of experience in the clinical research industry. Having worked with esteemed organizations such as QPS, Parexel, Accenture, Oracle, and IQVIA, I have developed expertise in clinical operations, medical writing, and project management. My passion for training and empowering future professionals led me to establish ClinoSol Research Pvt. Ltd. in 2019. Since its inception, ClinoSol has mentored over 1500 students, facilitated their placements in India and abroad, and engaged with more than 1 lakh students through CME, FDP, workshops, and webinars. I have contributed to over 450 conferences as a speaker and led ClinoSol to receive 10 prestigious awards, including recognition from the Indian Pharmaceutical Association (IPA), Indian Medical Association (IMA), and National Integrated Medical Association (NIMA).
